C96 NIGHT USE WHITE COTTON DRILL SHIRT W93 NIGHT USE WHITE COTTON DRILL TROUSERS

Night Use Drill Shirt and Cargo Trousers

REGULAR FIT | 100% COTTON |
190 GSM FOR SHIRTS AND 310 GSM FOR TROUSERS

More people working on the road at night now choose two-piece work wear rather than the traditional overall for convenience and easy movement. It also saves considerable money as you can change either the shirt or trousers that has been worn out rather than throwing both away at the same time.

FEATURES:

- Durable heavy weight cotton drill
- Large and plenty of functional pockets
- Double reflective tapes on sleeve and leg
- Comply with Hi Vis Safety Garment Standard AS/NZS 4602.1:2011 and AS/NZS 1906.4:2010
- Class N: Night Use Only
- UFP Rating: 50+. Protection Category: Excellent

P81 LONG SLEEVE, P82 SHORT SLEEVE

Hi Vis Cooldry Polo

REGULAR FIT | 100% POLYESTER COOLDRY FABRIC | 165 GSM

This highly popular Hi Vis polo shirt is made from genuine yarn treated moisture wicking Cooldry fabric. The cost of yarn treated moisture wicking fabric is up to 50% more expensive than the chemically treated moisture wicking fabric or non treated polyester fabric that many of our competitors use. The yarn treated fabric can bring you true and long lasting moisture wicking effect wash after wash while chemically treated fabric can only last a few washes before the moisture wicking function disappears.

FEATURES:

- Genuine breathable yarn treated cooldry fabric
- Faster moisture wicking and drying
- Single pocket with button down flap
- **Comply with Australian Safety Garment Standard AS/NZS 4602.1:2011 and AS/NZS 1906.4:2010**
- **Class D, for Day Use Only**

Hi Vis Cooldry Side Panel Polo

REGULAR FIT | 100% POLYESTER COOLDRY FABRIC | 165 GSM

If you are looking for something different or new for your daily Hi Vis work wear this might be the one you will like. Fitted with fashionable and contemporary panels and lines this polo shirt has mixed fashion and work wear so well. It is made from genuine yarn treated moisture wicking Cooldry fabric which is up to 50% more expensive than the cheap chemically treated fabric that many of our competitors use. Only the yarn treated Cooldry fabric can keep long lasting moisture wicking function wash after wash. This polo shirt will not only make you look great but also keep you cool and dry all day long and all year long.

FEATURES:

- Genuine breathable yarn treated Cooldry fabric
- Faster moisture wicking and drying
- Single large pocket with button to secure your stuff
- Comply with Australian Safety Garment Standard AS/NZS 1906.4:2010 and AS/NZS 4602:1999

Segment Taped Cotton Back Polo

REGULAR FIT | 60% COTTON, 40% POLYESTER | 175 GSM

For the first time the new segmented reflective tape is used in Blue Whale Hi Vis workwear. The segmented reflective tape is heat transferred to the garment and can stretch with garment's fabric. It brings more flexibility and more breathability to the garment. Combined with the cotton back Cooldry fabric these stylish polo shirts are surely the best available in today's market for the day/night use hi vis safety polo shirts.

Night Use White Cotton Drill Shirt

REGULAR FIT | 100% COTTON | 190 GSM

More people working on the road at night now prefer two-piece workwear rather than the traditional overalls. The shirt and trousers are more convenient and more flexible than the overalls. Our night use drill shirt is designed to meet the Australian Hi Vis Safety Garment Standard and it has two bio-motion tapes on both sleeves and extra horizontal reflective tape at the back hem.

FEATURES:

- Durable and comfortable cotton drill, Pre shrunk
- Underarm air flow cotton mesh vents
- Twin pockets with button up flaps
- Pen pocket on left side sleeve
- Cross back reflective tape
- Double reflective tapes on sleeves
- Extra reflective tape at back hem
- **Comply with Hi Vis Safety Garment Standard AS/NZS 4602.1:2011 and AS/NZS 1906.4:2010**
- **Class N: Night Use Only**

Coolfast Mini-Waffle Polo

MODERN FIT | 100% POLYESTER COOLFAST FABRIC | 160 GSM

This Mini-Waffle knit polo shirt is made from 100% genuine yarn treated moisture management fibres, one of the best from Coolfast, a leading hi-tech sports textile brand in the world whose major clients include Nike and Adidas. The thoughtful design of contrast panels across the sides and a fine panel on top of shoulder, not too simple, not too complicated, gives the polo shirt great sporty look at all angles from front, side and back. The softness of texture combined with its modern fit to the body brings you that extra comfort and confidence you need while playing the sports or enjoying your weekend with friends. For either performance or style this polo shirt is surely your first choice for your next upgrading of sports polos.

Apron

65% POLYESTER 35% COTTON | 240 GSM

Aprons has become a bigger and bigger item in this industry due to booming cafe and restaurant business. To be in the fashion trend of the industry we have added eight very fashionable and bright colours into our apron range this year. Therefore the Blue Whale aprons are now in 15 great colours and all in three standard hospitality industry sizes. The fabric used in this apron range has also been improved. They are now made from heavy weight 240gsm poly cotton drill, very durable and no or little need to iron. Each style has a pouch pocket of 30(W)x20 (H)cm including a pen section. The pocket has a wide opening allowing large embroideries to be fitted in easily.

Knee Pads

These knee pads are made from soft and flexible Ethylene-Vinyl Acetate which has no harm to the skin. They provide more protection than those made from cotton canvas due to its strong but soft material. The knee pads are designed to fit our Heavy Drill Trousers W87 (see page 44). The knee pockets of Heavy Drill Trousers will fully cover the knee pads so the knee pads do not directly contact the skin. They may fit trousers of other brands or our future work trousers as well. The length of pads can be cut short to suit knee height. The knee pads are sold in pairs.

One Size Fits All
16.5 cm (W) x 21.5 cm (H)
